

ICT For Resume Writing and Creating PPT Skill

Brief Report

ICT Resume Writing and Creating PowerPoint Presentations

Mr. Patil G. S. is a skilled instructor who specializes in teaching resume writing and creating PowerPoint presentations (PPT). Here are the key aspects of his teaching:

- a. Resume Writing: Mr. Patil imparts expertise in crafting effective resumes, covering elements such as formatting, content structuring, and the art of showcasing one's skills and experiences.
- b. Tailoring Resumes: He emphasizes the importance of tailoring resumes to specific job applications, making sure they align with the employer's needs and requirements.
- c. PPT Creation: Mr. Patil teaches the art of creating engaging and visually appealing PowerPoint presentations. This includes slide design, content organization, and effective use of multimedia elements.
- d. Storytelling: He emphasizes the importance of storytelling in PPTs, helping students convey their message effectively and keep the audience engaged.
- e. Presentation Skills: Mr. Patil provides guidance on presenting PPTs confidently and professionally, covering techniques for public speaking and handling questions.

Under Mr. Patil G. S.'s instruction, students gain valuable skills in resume writing and PPT creation, equipping them to effectively present themselves in the job market and deliver compelling presentations in various professional settings.
