## Extension and Outreach Policy

### Vision:

To reach out the neighboring society and extend our knowledge gained through research, innovation, camps, lectures and various sources like books, and other sources; and prepare our students for final dedication in the service society and thereby of nation with the national services so essential to society and the nation. Advising our students to form a living contact with the community in whose midst their institution is located, and suggest that instead of undertaking academic research learn social responsibility and do something positive so that the life of the villagers might be raised to better both at material and mental level.

### Objectives:

- a) To gain knowledge through research, innovation, camps, lectures and various sources like books, and other sources,
- b) To gain first-hand experience of living in society as responsible persons,
- c) Sensitizing students about their role in society,
- d) To reach out the neighbouring society,
- e) Sensitizing all the stakeholders about their role in society.
- f) To extend our gained knowledge.

### Extension Works:

- ❖ To organize various extension activities like one week camp at some village within the reach of 5 to 20 km.
- ❖ To organize various extension activities like Voter Awareness Rally in collaboration with Tahsil Office
- ❖ To organize various extension activities like Rally for sensitizing people about water economy, Swach Bharat Abhayan, Tree Plantation.
