Innovation Ecosystem Policy

Preamble:

Vision:

Creating an ecosystem to strengthen innovation for sustainable development and social change

Objectives:

- To promote spirit of innovation and sustain an ecosystem for that.
- To encourage innovate thinking amongst faculties and students.
- To utilize innovative ideas.
- To promote tinkering spirit amongst faculties and students.
- To incubate innovative ideas to bring them into reality.
- To use and improvise feedback mechanism.

Implementation Strategy:

Promote spirit of innovation and sustain an ecosystem for that through meetings, speeches, discussions and feedbacks.

- Encouraging everyone to think in an innovative way by incubating good ideas into reality.
- Providing incentives and recognition for innovative thinking.
