**15. Multidisciplinary / interdisciplinary**

To keep ourselves updated and at par with the national educational system, we take initiatives to brace ourselves up to provide quality interdisciplinary and multidisciplinary courses. The demands of the National Education Policy are attempted to fulfill to the fullest. To create a human resource fully equipped with job-market we have introduced various skill based courses. Through our teaching learning process the emerging fields in industry, innovative research are introduced. Our college ensures that multi-disciplinary and interdisciplinary learning is provided to the students on the campus. There are multiple initiatives and policy decisions made by the college in order to promote multidisciplinary and interdisciplinary education. Notable among them are as following.

1. The programs offered by our institution are humanities, commerce and management, science, bachelor of computer application and Bachelor of Vocation.

2. The students are offered compulsory ability enhancement courses as well as skill enhancement courses along with the various core courses.

3. Our institution offers various multidisciplinary courses with choice-based credit system.

Environmental studies is a compulsory course for all the students across all the faculties.

4. In order to introduce the students with interdisciplinary topics and cutting edge research, the college organizes various kinds of webinars, symposiums, conferences and seminars.

5. The students are encouraged to enroll for various interdisciplinary massive open online courses (MOOC).

**16. Academic bank of credits (ABC):**

As per the guidelines made of the National Education Policy-2020, our parent university S. R. T. M. University, Nanded has made it compulsory for all the students across all the disciplines to register themselves on the national portal of DigiLocker for

opening an account in the Academic Bank of Credits. The students can store and redeem their academic credits as per their requirement with help of this facility. Our college encourages and motivates the students to opt for various kinds of online courses so that students can gain more and more credits to their account. These credits are transferable and approved nationally. Our college has taken an initiative to help the students in opening their accounts in the academic bank of credits. The college staff provides them all the necessary information as well as helps in registering their accounts with accurate information and within the time stipulated by the university. As a result, 95% students have registered their accounts on the academic bank of credits. Keeping in mind the necessity and ease of use of academic bank of credit the college has decided to promote and contribute to registering all the students for academic bank of credits every year. So far, we have total 95% accounts registered on the Academic Bank of Credits

#### **17.Skill development:**

College ensures skill development of students and teaching and non-teaching members at the college. To impart the necessary job oriented skills to our students, our institution has been successfully running B. Voc. Program and B. C. A. Programs which provide job-oriented skills to the students. The college has been taking consciously and consistent effort to ensure skill development of the students and the staff. The college has organized various kinds of Workshops and training programs. The workshops and training programs related to new syllabus and computer related skills are organized as well as the faculty members are encouraged to participate in online and offline training programs. To digitally literate all the students we run a value added course- MSCIT. In order to provide hands on training and on field work experience to our students the college organization various kinds of study tours and field visits. Additionally the students from the faculty of Bachelor of Vocation are sent to industry for internships. Research project writing workshops, workshop on patent filing was also organized. Non-teaching staff was deputed to three day NEP implementation course organized by our parent university.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Our college has the most active Cultural Activities Cell. The cell trains the students in Indian Dances, Folk arts, folk dances, and Indian regional and national language literary forms.

To integrate Indian knowledge system in our academic endeavors, there are various kinds of activities and programs organized by the college. Our college offers degree courses in Indian languages like Marathi and Hindi. Through these departments, a variety of Marathi and Hindi language promotion activities are conducted throughout the year. The department of history organizes study tours to various nationality and internationally important historical places and heritage sites to introduce and explore the historical heritage of the nation. To preserve and celebrate the Indian aboriginal culture, the cultural cell of the college organizes various kinds of activities and competitions in order. Every year, our students participate in cultural competitions and annual cultural festival is also organized by the college. Our students also participate in various cultural competitions including poetry recitation debate and elocution competitions. Various departments of the college organize lectures on ancient Indian philosophy as well as every year International Yoga Day is celebrated on the campus

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The outcomes of each program and course are decided at the beginning of each academic year so that at the final of the academic year they can be evaluated on the basis of their accomplishment. The program outcomes and course outcomes are displayed on the website of the college. Moreover, the same are communicated to them through the syllabus copies transferred to their mobile devices to the specially created faculty and class-wise WhatsApp groups. The same are communicated to them through the classroom. In order to provide teaching learning process related to the program outcomes and the course outcomes the college has devised a mechanism. Accordingly, the attainment of the POs and COs are evaluated. At the end of every academic year the IQAC collects the feedbacks from the students regarding the achievement of the outcomes of each and every course. A feedback is also collected from the students regarding the teaching learning process. In order to assess whether the outcomes are achieved or not, our college also collects feedback from the Alumni Association. These Feedbacks are analyzed and an Action Taken Report is prepared on the same.

#### **20.Distance education/online education:**

Our college has taken an active initiative to maximize the enrolment in the higher education. To contribute to the enrolment in higher education our college has introduced Open University and External Education Centers at the campus. In Yashwantrao

Chavhan Maharashtra Open University Center of our college around 1500 students are taking higher education. In the Study Centre of the External Education, around 60 students are taking higher education. <b>CURRICULAR ASPECTS</b>		
<b>1.1 - Curricular Planning and Implementation</b>		
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process		
As a part of the effective Academic Planning, we ensure that the academic calendar of our college is within the frame of the parent University's Academic Calendar. To ensure effective curriculum delivery, all Departments prepare their time table. The Planning		

of teaching learning is done at the beginning of the academic year. There are a huge number of books and journals in the library which is enabled by wifi. All the departments various activities like cultural programs, sports, bank visit, industrial tours and training, study tours, debate, elocution competition, one teacher one activity, Blood donation, plantation etc. All these activities are administered by the IQAC, college administration and the institution.

At the end of the academic year, a feedback is collected from the students. The syllabus completion report is taken from the teachers at the end of each semester. The internal examination are viewed a useful feedback on the effectiveness of the teaching learning process. The teachers maintain Daily Teaching report (DTR) which is checked by the Heads of the respective departments and are reviewed by the Principal of the college at the end of each semester.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the beginning of academic year, an all inclusive Academic and Activities Calendar is prepared by the Academic Planning Committee. The academic calendar integrates the various co-curricular and extra-curricular activities besides the teaching learning and continuous internal evaluation. The calendar includes all the events, programmes, activities and initiatives providing the details of month and week as well as the date of the event to be organized during the whole academic year. The college administration constitutes Continuous Internal Evaluation Committee. The IQAC and CIE prepare the academic calendar which includes continuous Evaluation process of the students. Two internal unit tests per semester and two home assignments per paper per semester, seminars, power point presentation, group discussion are also conducted by the committee. The academic calendar ensures that it covers all the aspects of academic and holistic development of the students. There is continuous internal evaluation of teachers also. The institution, college

administration, and IQAC monitor the performance of each teacher by taking the feedback of teacher from students, and college authority. The Feedback Monitoring Committee collects the feedback from various stakeholders regarding all the aspects of academics and an Action Taken Report is prepared after the analysis of the feedback.

**2.2 - Catering to Student Diversity****2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners**

In order to assess the learning levels of the students and to cater to the different learners, college has employed various means. College has a manual for identification of the learner differences with guidelines. The manual also specifies the activities to be organized for further development of the advanced learners and to bring the slow learners at par with the advanced learners. To address the issue, a committee is established which monitors the activities and initiatives for learner diversity. The unit test are a basic means of assessing the learning levels of the students. Moreover, through the practical, assignments and oral questions the teachers assess the students. Various activities are organized for each kind of learner. Based on the results of internal exams, we categorize. For the Slow Learners, we organize remedial classes, provide assignments and a range of activities to help them catch up. Advance Learners, for instance, receive reference books from library to deepen their understanding of concepts. Additionally, they are given advanced numerical

problems, and we invite subject experts to deliver guest lectures on specific topics. We consistently strive to enhance our students' capabilities through diverse activities, aiming to empower them for self-improvement and personal advancement.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Our college always tries to update with time and to utilize the new tools such as digital platform, e-books and educational websites to make education more effective to provide students with supplementary learning materials. Teachers use ICT facilities for teaching effectively. Teachers use PPT presentations as per the requirement of the teaching units. Video lectures, Audio lectures, radio dramatizations, movie adaptations, historical, social, biographical and scientific documentaries, informative videos, short films, virtual tours in VR devices, digital exhibitions and web resources are used by the teachers. Remedial and additional coaching is also done through using the online platforms like Zoom, MS- Teams and Google Meet etc. Important questionnaires are invited through Google forms. To communicate to the specific classes conveniently and quickly, we have created WhatsApp groups where the students are provided with the study materials. The faculty members effectively utilize Audio Visual aids to demonstrate the concepts to the students using the resources from National Programme on Technology Enhanced Learning (NPTEL) to improve the learning experience. Students are provided facilities to access the online resources through computer laboratories and library. The website of the college is also hosting a repertoire of important academic resources.

### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Our college establishes a special cell entitled Examination and Evaluation Cell which functions under the guidance of the Principal. Every year, at the beginning of the academic year, Examination and Evaluation Cell prepares the annual calendar of the internal assessment. Accordingly, in each semester two internal tests are conducted by the cell. The notices regarding the same are circulated to the students in the classrooms, on their WhatsApp groups, and displayed on the website of the college. The marks obtained by the students are displayed to the students. The grievances regarding the same are resolved by the committee. There is other modes internal assessment like Home Assignments, Tutorials, seminars and projects are also in functioning. The answer sheets of the internal exams are shown to the students. The schedule of the internal examination in the a.y. 2022-23 is as follows.

Sr. No.

Internal Test No.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The Examination and Evaluation Cell of the college invites the grievances related to the internal marks after the internal marks are displayed for the students in the respective departments. The grievances related to the internal marks are resolved by the

examination cell in a time-bound manner. The students register their grievances and get them resolved. The record of the internal marks submitted to the university after the semester exam is maintained in the departments. The examination cell communicates the issues arisen and the follow-up is taken by the college. The marking scheme of the internal evaluation method is communicated to the students well before the examinations. The communication regarding the entire process of the internal evaluation is ensured to be effective. In order to maintain a fair and transparent internal examination procedure, the examination department has introduced several initiatives. These measures encompass the installation of CCTV cameras in each classroom and the arrangement of seating, with one student from different streams placed at every desk. The few concerns received from students, are responded with promptly. In this manner, we strive to conduct internal examinations in a transparent and appropriate manner. The above process was thoroughly followed in a.y. -2022-23

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

At the beginning of every academic year and academic session, the teachers communicate the syllabus as finalized by the parent university to the students. The syllabus copies and links to the university syllabi files are provided on the college website. The students get necessary information from the college website as well as university website. The Programme Outcomes and Course Outcomes are communicated to students, teachers, parents and other stakeholders through college website. The respective program outcomes are also communicated to students through different activities organized by different departments. Teachers provide formal and informal guidance to students regarding programme outcomes. Special guest lectures are organized based on different programme outcomes and career guidance. Teachers communicate course outcomes in their respective classrooms and also on the special WhatsApp groups created for every class. The Programme outcomes are also communicated with the parents through teacher-parent meets and alumni meets. The Programme outcomes and course

outcomes are also communicated through annual functions where the General Secretary of the college reads the college annual report. The PO's are also published in the College Magazine and College Prospectus for the access to students. The POs and Cos are displayed in the campus of the college.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The college has set up a committee entitled Feedback Monitoring Committee to collect, analyze and report the feedback from students, teachers and other stakeholders. The attainment of programme outcomes and course outcomes are evaluated by the institution through the feedbacks received from the students. Programme-wise and course-wise feedback is collected from the students at the end of the academic year. The Feedback Monitoring Committee takes feedback from all students regarding the programmes and the respective courses which are taught. The Examination and Evaluation Cell conducts two unit tests each semester. The students are asked to appear for these tests and they are evaluated by teachers. The attainment of course outcomes is evaluated through continuous assessment and other evaluation methods such as tutorials, assignments, classroom seminars, PPT presentations, poster presentations and group discussions etc. The university has also kept Field Work and Project Report for B.Com. Third Year, M.Com. Second Year, M.Sc. Computer Science and B.C.A. It is also an important tool to measure the attainment of Programme Outcomes and Course Outcomes as a part of their experiential learning. The institution also seeks feedback regarding the human resource developed by the college from the employers of our students and alumni.

### 3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The administration motivates faculties to participate in different research and research related activities such as participating and presenting papers in National and International Conferences and Seminars; participating in various online faculty development programs (FDP) to enrich and upgrade their knowledge and to transfer their knowledge and skills to their students through lectures. It takes initiatives to organize National and International Conferences, Seminars and Workshops. Research Promotion Committee is formed by IQAC to promote research and research related activities in the college. The College also organizes field visits to various places for the study purpose. The College has successfully organized one International Multidisciplinary Conference (Blended Mode) and four National Level Seminars.

The College has an ecosystem wherein senior professors guide the young researchers to participate in seminars and conferences and publish/present their papers. They become a link between knowledge resource centers and young researchers. As a result of it our faculties publish 08 research papers in UGC notified journals and published two books and contributed four chapters in the books. Under the supervision of our 13 research supervisors, 26 research scholars are pursuing their doctoral degree.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

#### VISION

**"To Provide Value Based Quality Education and Generate Human Resource Equipped with Contemporary Skills."**

- 
- To search the students in the area who are eligible but deprived of taking higher education.
- To inculcate the value of labor and education through self-help.
- To contribute the development of economically backward area by helping the rural students to get quality education and to facilitate them global stream of courses.
- To mold the character of students through value based education.

The governance of the institution is reflective of this vision as it focuses on providing quality education to the rural masses and empowers them with market oriented skills. The college aims at achieving the vision and the mission through:

- Student admission strategies are deployed are inclusive and heterogeneous as per the government norms.

- The college runs three units of NSS to inculcate the value of labour and education amongst students and also organises different activities related to self reliance.
- Traditional as well as vocational courses are offered to the students to get maximum career opportunities.
- Different days, birth anniversaries, guest lectures and seminars etc. are regularly organised in the college to mould the character of students.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Maharashtra Shikshan Samiti which is the parent institution of the college trusts in the principle of participative management. It has set numerous standards from transparent appointment procedure of teaching and non-teaching staff to providing full authority to administration and staff regarding conduct of different programs in the college. The institution follows effective leadership through decentralization of authorities and participative management. The decision making process of the administration is both, upward and downward.

A Head of the Department is appointed for every department and is given authority to make departmental planning and organize different curricular, co-curricular and extra-curricular activities during the academic year in consultation with his/her colleagues.

A Librarian is appointed on full time basis along with its support staff for the purchase, circulation and maintenance of knowledge resources. Similarly one Physical Director is appointed on full time basis and has been given responsibility to train students for different indoor and outdoor games and sports events.

A coordinator each is appointed along with supporting staff for each committee to conduct smooth functioning. Sufficient number of non-teaching staff is recruited as per the Govt. norms. Non-teaching staff on contract basis is also appointed for additional support to existing non-teaching staff.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The Institute's quality policy is well conveyed from its vision and mission statements. Strategic plan and action plan are designed in such a manner that this quality policy is driven and deployed during every process. Each process is regularly reviewed by a monitoring mechanism.

Strategy for Faculty Development: the college promotes its faculty members to participate in Orientation/Refresher/Short term courses organized by different UGC HRDC Colleges across the country. Further; the faculty members are encouraged to participate in different conferences/seminars/workshops etc. for their knowledge enrichment. The institution also provides financial assistance to its faculty members to undertake such activities of knowledge enrichment.

Strategy for collaborative research: the college has signed MoU's with 5 different colleges for collaborative research. The college successfully organized a One Day International Multidisciplinary Conference in blended mode in collaboration with Late Ramesh Warpudkar ACS College, Sonpeth in April 2022.

Strategy to inculcate social, ethical and work values: the college organizes special camps for students under NSS and NCC. It also organizes different training and placement programs for the students of Commerce, BCA and B.Voc. regularly.

Institution also deploys strategy to implement green initiatives through tree plantation etc.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The institution believes in transparent and inclusive governance wherein, every individual is responsible for certain duties. All recruitments and promotions of the teaching as well as non-teaching staff are completed as per the UGC and State Govt. norms. The College Development Committee (CDC) takes two meeting in every academic year to discuss the yearly plan and to monitor its feedback.

Internal Quality Assurance Cell (IQAC) prepares academic calendar at the beginning of every academic year and implements all programs as per given schedule. The Principal and Office Superintendent are responsible for smooth and effective conduct of administration across the academic year. Different committees are formed in the beginning of the academic year and semester wise programs are organized by each committee.

IQAC issues notices to the staff to prepare their proposals under Career Advancement Scheme (CAS) for their promotions. It also verifies the received proposals and recommends them for further necessary actions to the University and Joint Director, Higher Education office. Information officer is appointed as per the rules and norms of RTI Act.

<b>6.3 - Faculty Empowerment Strategies</b>											
6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff											
<p>The founder President of Maharashtra Shikshan Samiti, Late Dr. Shivajirao Patil Nilangekar had a humane vision in teacher and non-teaching staff recruitment. He had always given priority to the quality of teachers and non-teaching staff along with their passion and devotion towards work. Following his footprints, the institution has always given priority towards the quality of staff as well as their holistic welfare. These welfare measures are both social and economic. We; as an academic family celebrate the birthdays of our staff members by planting a tree in the campus and helping it grow for our future generations. The institution also has taken a group insurance policy for all the staff members who are working on grant-in-aid posts.</p> <p>The Maharashtra Mahavidyalaya Employees Credit Cooperative Society provides short term and medium term loans to all member employees at a low rate of interest. The retiring employees are given farewell with utmost affection and pride. Different activities like Yoga Day, Mental and Physical Health awareness camp etc. are organized to keep the employees fit and healthy. Employees are also encouraged to submit their any salary arrears and medical bills of major and minor health issues to Higher Education Joint Director Office.</p>

### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Internal Quality Assurance Cell adheres to the norms of Parent University, State Government and UGC for the performance appraisal for teaching and non-teaching staff. Performance Appraisal forms are collected from all teaching and non-teaching staff members on

annual basis.

IQAC promotes the teaching and non-teaching staff to participate in different training programs, seminars, conferences, workshops etc. throughout the year. IQAC follows two tier performance appraisal systems for teaching staff. Firstly, student's feedback about the teaching performance is collected and it is analyzed. And secondly, IQAC collects self appraisal forms from the teachers. All the required evidences of the academic work done by the staff are collected along with the PBAS forms. These forms are scrutinized by IQAC and recommended to The Principal for further actions. Teachers are also regularly informed about the Career Advancement Scheme camps organized by the Parent University. Institution also conducts CAS interviews of the eligible teachers for the stages of Associate Professor and Professor at the college itself.

In the Academic Year 2022-23, Dr. D.S. Choudhary, Dr. N.V. Pinamkar and Dr. V.P. Sandur were promoted from Academic Level 11 to 12 under career advancement scheme.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell (IQAC) is the think tank of the institution. It regularly conducts its meeting to design and develop its strategies and processes. An academic calendar is prepared at the beginning of the academic year and regular follow up taken from all the departments. The programs are aligned with the Vision and Mission of the institution. IQAC policy document is also followed for institutionalizing the quality assurance and processes.

IQAC prepares various committees and cells for conducting different student centric activities. All committees prepare their annual plan, conduct meetings and conduct the activities as per the academic annual plan. Lastly all committees prepare their annual reports and submit it to IQAC. It also promotes all the faculty members to participate in different academic activities like Conference, Seminars, Workshops, Orientation Programs, Refresher Courses, and Research Projects etc.

The student council and all student centric cells like NSS, NCC, Cultural and Sports conduct different activities during the academic year as per the guidance of IQAC. Different issues like environment protection, gender sensitization, health awareness, legal awareness and financial literacy are deliberately addressed by IQAC in its strategy and necessary activities are organized accordingly.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC monitors the effectiveness in teaching and learning process a well-planned teaching plans prepared by all faculty members. All faculty members maintain their daily teaching reports and get it verified from respective Head of the Departments as well as The Principal. The Continuous and Internal Assessment Cell prepares semester wise timetable for conducting internal tests. It also monitors the continuous evaluation of tutorials, assignments and practical's on a regular basis. The Feedback Monitoring Committee regularly takes feedback on syllabus completion, teaching methodologies and syllabus structure etc.

All the departments are encouraged to conduct classroom seminars, group discussions, assignments and tutorials to conduct continuous internal assessment on regular basis. Slow learners and advanced learners are identified through internal tests. Students are also encouraged to participate in poster presentations, power-point presentations, elocution competitions, debate competitions etc.

IQAC also encourages all departments to provide extra coaching to advance learners. Our library provides extra books and reading materials to such meritorious students. As a result of this practice, our students from BCA, B.Voc. B.A., and B.Sc. have secured University ranks in different subjects. Our students also participate in University level, State level and National level competitions and win prizes.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

**Gender sensitization refers to the raising sensitization of gender equality concerns. It helps in exploring personal attitudes and beliefs and questioning the realities of both sexes.**

**At our College, we strive to understand the social and cultural background that shapes the experience of men and women in a common working platform. Create awareness with regard to equality in the legal system in the social system and it's important.**

The barriers caused by discrimination on gender bias is to be reduced as that is mutual respect irrespective of the gender as such it is important to create awareness and make everyone sensitive on the issue so that people react in an ideal way.

In order to align with this and to promote gender equality MMN has formed objective so that steps are taken to achieve and protect the interest of Girls Student.

Objectives of gender sensitization:

- To create an environment of justice.
- To create awareness on Gender Equality.
- To remove gender biases in young student as they move towards unbiased society.
- To make student aware that women and men are both equal and important.

Solid waste management means to collection, treatment and disposal procedure for solid wastes.

It is a serious problem as it causes both water and air pollution which can cause the problem health among the population.

Solid waste can be categorized into three types.

Biodegradable wastes includes, food wastes, canteen Wastes, wastes from toilet etc.

Non degradable Wastes includes plastics, tins, glass bottles and plastic bottles etc.

Hazardous solid wastes

College discourages use of plastics particularly single use of plastic in campus. College produces lot of paper waste from academic block, library, exam department administrative offices, hostels and guest house disposed through vendors.

The Wastes are properly stacked in designated place and later on disposal through vendors for proper waste management.

College promotes digital platform to reduce the uses of paper for communicating and sharing documents.

The College manages E-waste by adopting reduce-reuse and recycle policy. Liquid waste management in our college involves proper handling and disposal of liquids. Such as chemicals Waste, water and hazardous laboratory Wastes.

Liquid waste generated by our college are of two types 1 sewage Waste 2 laboratory and residential washing and canteen effluents.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

**In order to celebrate the year 2022-23 as the Amrit Mahotsav year**

of Indian Independence, an attempt was made to explain the history of Indian independence to the students through posters, essays, oratory lectures, book exhibitions on the thoughts of heroes and great men who sacrificed animals for freedom through various activities. National level seminars were organized in the subjects of History, Economics, and Hindi under the aegis of ICSSR.

The college celebrates Constitution Day on 26 November, every year by taking oath on Preamble. The college also organizes different programs dedicated to communal harmony, National integrity and discrimination free society through NSS and Social Science Departments.

As our college is located in Marathwada division on the border of Karnataka and Telangana, Kannada, Telugu, Marathi, Hindi and Deccan Hindi language students are admitted here for education. In the spirit of the language complex in the college, Marathi Language Day, Raj Bhasha Hindi Day, Marathi, Hindi and English Language Literature Board, various competitions in all the three languages are organized together to bring about linguistic harmony.

Through different activities, programs are organized with the view that there should be cultural, regional, linguistic, communal, social, economic harmony among every student.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

#### Maharashtra Mahavidyalaya Campus Film Society Nilanga

Our college has been running Maharashtra Mahavidyalaya Campus Film Society since the academic year 2012-13. Our Film Society is affiliated to The Federation of Film Societies of India, Mumbai chapter. In continuation with the goals of our institution to equip the students with the contemporary skills and nurture artistic sensibilities among them, under this initiative we have been organizing film appreciation courses, screening of the movie adaptations of the great literary texts, scholarly talks on short films, movies and documentary films as well as short films and documentary festivals.

This year we have organized screening of documentaries, short films and film adaptations based in various syllabi units. We have also organized film appreciation workshops and short film festivals to make the students well-versed. The screening of timeless classics and appreciation lectures on the same were also organized. The students were motivated to write the film appreciation, film reviews. The screening of the documentaries, short films and movie adaptations have helped enabling the students in understanding the syllabi contents. A programme was organised in the presence of Director Mr. Sandip Patil. He discussed his short films with the students afterscreeningit.
