Name of the Activity	Between	Date
Signing MOU	MMN & One Calke & More, Latur	10/02/2020

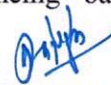

Objectives of MOU:

- Enhancing Educational Opportunities:** Providing students with practical exposure to the baking and confectionery industry through internships, training programs, and workshops at One Cake & More. This hands-on experience aims to supplement theoretical education with practical skills, preparing students for careers in the food industry.
- Promoting Industry-Academia Collaboration:** Strengthening ties between academia and the baking industry by facilitating knowledge exchange, joint research projects, and sharing of best practices. This collaboration aims to enrich learning experiences, support professional development, and enhance curriculum relevance.
- Supporting Research and Development:** Collaborating on research initiatives to innovate in baking techniques, product development, food safety, and sustainability practices. The MoU may facilitate joint efforts to address industry challenges and explore new market opportunities.

Brief Report of MOU:

The Memorandum of Understanding (MoU) between Maharashtra Mahavidyalaya, Nilanga, and One Cake & More, Latur, signifies a strategic partnership aimed at integrating academic excellence with the baking and confectionery industry. This collaboration is anticipated to yield several key benefits. Firstly, it enhances educational opportunities by offering students practical training and industry exposure through internships and workshops at One Cake & More. This hands-on experience equips students with valuable skills and insights into bakery operations, preparing them for careers in the food industry. Secondly, the MoU promotes research and development initiatives focused on enhancing baking

techniques, product innovation, and sustainability practices. By aligning academic curricula with industry needs, Maharashtra Mahavidyalaya ensures graduates are well-prepared for the demands of the baking sector. The partnership also emphasizes community engagement through CSR activities, demonstrating a shared commitment to social responsibility and regional development. Furthermore, networking opportunities and professional development programs for students and faculty aim to enhance career prospects and foster industry connections. Overall, this collaboration aims to bridge academia and industry, fostering mutual learning, innovation, and socio-economic growth in the region served by One Cake & More, while enhancing institutional reputations and achieving shared strategic goals.

Outcomes of MOU:

1. **Enhanced Student Learning:** Students will gain practical industry exposure through internships and training at One Cake & More, acquiring hands-on experience in baking and confectionery. This exposure will complement their theoretical education, enhancing their practical skills and preparing them for careers in the food industry.
2. **Advancements in Baking Techniques and Innovation:** Collaboration on research and development projects will lead to innovations in baking techniques, product development, and quality standards. This includes exploring new recipes, improving production processes, and adopting sustainable practices within the bakery sector.
3. **Industry-Academia Collaboration:** The partnership will foster a strong relationship between Maharashtra Mahavidyalaya and One Cake & More, facilitating the exchange of knowledge, best practices, and technological advancements. This collaboration will benefit both parties through joint initiatives, workshops, and seminars that enrich learning and professional development opportunities.
4. **Community and Social Impact:** Joint CSR initiatives and community outreach projects will positively impact the local community served by One Cake & More. This includes promoting food safety awareness, supporting local farmers, and participating in charitable activities that contribute to regional development and sustainability.
