"One Day Workshop on Use of ICT Tools for Teaching-Learning"

Organized by the Department of BCA

Name of the Activity	Date	Time	Venue	No. of Students Present/Participated
One Day Workshop on Use of ICT Tools for Teaching-Learning	03-08-2018	10.00Am to 03.00Pm	Lab No. 10	30

Objectives of the Activity:

- Enhancing Teaching Effectiveness:** To equip educators with knowledge and skills to effectively integrate ICT tools into their teaching methods, enhancing engagement and learning outcomes among students.
- Improving Learning Experience:** To explore and demonstrate how ICT tools can create interactive and engaging learning environments, catering to diverse learning styles and preferences.
- Promoting Collaboration:** To facilitate understanding of collaborative platforms and tools that enable educators and students to interact and work together seamlessly.
- Facilitating Access to Resources:** To demonstrate how ICT tools can provide access to a wide range of educational resources, including multimedia content, online libraries, and research databases.
- Supporting Differentiation:** To show how ICT tools can be used to differentiate instruction, addressing the individual needs and abilities of students through personalized learning experiences.
- Encouraging Innovation:** To inspire educators to innovate in their teaching practices by leveraging the capabilities of ICT tools to create dynamic and effective learning environments.
- Building Digital Literacy:** To enhance participants' digital literacy skills, ensuring they are proficient in using ICT tools for educational purposes and able to adapt to technological advancements.
- Addressing Challenges:** To discuss and address challenges related to the integration of ICT tools in teaching-learning processes, and provide strategies to overcome barriers.

9. **Promoting Continuous Professional Development:** To encourage ongoing learning and professional development among educators, fostering a culture of lifelong learning and adaptation to technological changes.

Brief Report:

One Day Workshop on Use of ICT Tools for Teaching-Learning

On 03/08/2018, MMN College organized a One Day Workshop on the Use of ICT Tools for Teaching-Learning, with Dr. M. N. Kolpuke, Principal of MMN College, presiding over the event. Mr. D. S. Kiwde, from the Department of BCA, served as the resource person for the workshop, bringing expertise in integrating ICT tools effectively into educational practices. Dr. C. J. Kadam, HOD of Physics at MMN College, delivered the inaugural speech, emphasizing the transformative impact of ICT tools on modern education and the importance of adapting teaching methodologies to enhance student engagement and learning outcomes.

In his presidential address, Dr. M. N. Kolpuke underscored MMN College's commitment to embracing technology in education and empowering faculty with the necessary skills to leverage ICT tools for enriched teaching and learning experiences. The workshop sessions, led by Mr. Kiwde, covered a range of topics including the use of multimedia resources, online platforms for collaboration, virtual classrooms, and interactive learning tools.

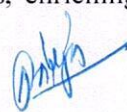

Participants actively engaged in practical demonstrations and hands-on exercises aimed at familiarizing them with various ICT tools applicable to different academic disciplines. Dr. A. M. Mulajkar conveyed the vote of thanks, expressing appreciation to the chairperson, resource person, and attendees for their enthusiastic participation and contributions towards making the workshop a success.

Overall, the One Day Workshop on the Use of ICT Tools for Teaching-Learning at MMN College provided valuable insights and practical skills to faculty members, enabling them to effectively integrate technology into their teaching practices. The workshop reaffirmed MMN College's commitment to fostering innovative approaches to education through the thoughtful application of ICT tools.

Outcomes of the Activity:

1. **Enhanced Pedagogical Skills:** Participants should gain increased confidence and proficiency in integrating ICT tools effectively into their teaching practices, thereby enhancing their overall pedagogical skills.
2. **Improved Engagement and Interaction:** Educators will be able to create more interactive and engaging learning environments using ICT tools, leading to increased student participation and motivation.
3. **Enhanced Learning Outcomes:** Students are expected to benefit from improved learning experiences facilitated by the use of ICT tools, resulting in better understanding and retention of course material.
4. **Expanded Resource Access:** Participants will learn how to access and utilize a broader range of educational resources available through ICT tools, enriching their teaching materials and methods.
