spirit of service, respect for public property, scientific temper, liberty, responsibility, pluralism, equality, and justice; • promoting multilingualism and the power of language in teaching and learning; • life skills such as communication, cooperation, teamwork, and resilience; • focus on regular formative assessment for learning rather than the summative assessment that encourages today's 'coaching culture'; • extensive use of technology in teaching and learning, removing language barriers, after the speech of Prof. Dr. S. S. Patil a key speaker Dr. Jogendrasingh Bisen Pro-Vice-Chancellor SRTM University, Nanded, Started his speech, He guided to all our teachers specially he emphasis on following points of NEP, such as, This National Education Policy envisions an education system rooted in Indian ethos that contributes directly to transforming India, that is Bharat, sustainably into an equitable and vibrant knowledge society, by providing high-quality education to all, and thereby making India a global knowledge superpower.

The Policy envisages that the curriculum and pedagogy of our institutions must develop among the students a deep sense of respect towards the Fundamental Duties and Constitutional values, bonding with one's country, and a conscious awareness of one's roles and responsibilities in a changing world. The vision of the Policy is to instill among the learners a deep-rooted pride in being Indian, not only in thought, but also in spirit, intellect, and deeds, as well as to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well-being, thereby reflecting a truly global citizen. Lastly the one day workshop was concluded with vote of thanks given by Dr. A. M. Mulajkar.
