Coordinator:

Dr. G.G.Shivshette

Name of activity	Date	Time	venue	No.of students present
<b>cleanliness at Shantivan Crematorium</b>	30th July 2018	<b>11.00am</b>	Shantivan Crematorium Nilanga	-

### Objective of the Activity

1. To promote cleanliness and hygiene in public spaces.
2. To raise awareness about the importance of proper waste disposal.
3. To engage the community in cleaning activities.
4. To reduce litter and improve aesthetic appeal.
5. To foster a sense of community pride and ownership..

### Brief Report:

College faculty and students together planted trees and renovated Shantivan (cremation ground), and made a pleasant place. Students of NSS and alumni of the college worked with great devotion to make the place beautiful. It is an act of developing scientific temperament among the students as well as sensitizing them about such social issues. Students learned group behavior from this activity. They connected with the alumni of the college who are working in this area.

Dr. S.G.Benjalwar

Name of activity	Date	Time	venue	No.of students present
Dr. Kiran Patil's special lecture on the need for a plastic free Environment	30 <sup>th</sup> jan 2023	10.30am	Mauje Jajanur	79

**Objective of the Activity**

1. Raising Awareness about plastic pollution
2. Understanding alternatives on plastic.
3. Promote waste reduction and recycling.

**Brief Report:**

On January 30, 2023, a special lecture was organized for villagers and Rashtriya Swayamsevak students on the need for plastic free time during the afternoon session during a special annual camp at Mauje Jajanur on behalf of Maharashtra College Nilanga and National Service Planning Department. Kiran Patil, Assistant Professor of Chemistry Department of Maharashtra College, Nilanga, was present as the chief guest for this lecture. While guiding on this occasion, he informed about the harmful effects of plastic use on nature and human health and also challenged to stop the use of plastic completely. S G Benjalwar Dr. V P Sandur Professor Vishwanath Jadhav etc. made special efforts

**Outcome of the activity**

1. Increased Awareness: Participants become more aware of the environmental and health impacts of plastic pollution.

Dr. Kolpuke M.N.
