Brief Report:

"Animal Farm" is a political allegory novel by **George Orwell**, published in 1945. The story revolves around a group of farm animals who rebel against their human owner, only to see their revolution corrupted by power.

The documentary adaptation of "Animal Farm" explores the novel's themes and Orwell's inspiration, featuring the rise of the Soviet Union and Stalin's totalitarian regime. The Russian Revolution and its ideals are also major themes of the film. It brings into light the corruption of power and the dangers of totalitarianism. The animated movie Animal Farm is based on George Orwell's famous political allegory *Animal Farm*. In the animated film the director has ensured that the film closely follows the text of the novel. The dialogue are mostly as per the dialogues in the original text. The ability of animated films to bring into reality the imaginative and creative text like Animal Farm was discussed after the screening of the movie. The fascination of animated films is mostly due to the wonder that the pictures move and talk. It becomes more fascinating when an interesting story like Animal Farm is communicated through animation. The students raised questions about the themes of the movie. Miss Manisha Ghogare answered to the questions and explained the cinematic techniques in the film.
