- **3.2.2 HEI to note that the metric deals with research methodology / IPR / entrepreneurship and to exclude from data workshops covered in career guidance (5.1.3) and capacity development (5.1.2)**

HEI Response : We have taken care to not to include data workshops covered in career guidance (5.1.3) and capacity development (5.1.2), but certain activities might appear their because they were meant for both the students and teachers.
