DVV- Clarification

3.5.1: Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years.

- HEI to provide the MoUs with other organisations on stamp paper of appropriate denomination ;
- HEI to provide the links to the activity reports , attendance , photos for all the MoUs ;
- HEI to disregard the MoUs with sister organizations ;
- HEI to affix the activities details for the MoUs with the following organisations: Azad Mahavidyalaya, Ausa ; GTT Foundation, Pune and Shahu College(Autonomous), Latur

- 3.5.1 HEI has not provided the complete signed MOUs with organization for training / internships for students ;

HEI Response : MoUs provided are complete.

- A letter to the organization for training students and students certificate do not constitute MoU ;

HEI Response : Some Linkages are there which are done with telephonic conversations/personal negotiation by both the head of the institutions. And students are sent to the concerned industry under the linkage, as a part of it the industry provided training to the students. In Linkage it was not necessary to sign MoU. Therefore, please note that a letter, in response to telephonic conservation/personal negotiation, from the Principal of HEI and certificates issued by the Industry are attached under the Linkages.

- HEI to ensure that all the MoUs are functional at the time of submission of SSR ,

HEI Response : All the MoUs are functional at the time of submission of SSR.

- HEI to provide the MoUs with other organizations on stamp paper of appropriate denomination ;

HEI Response : The MoUs are signed with other organizations are on the papers and not on some stamp paper with appropriate denotation because when these MoUs were signed it was not mandatory to sign the MoUs on stamp papers. In future we will get them signed on stamp papers with appropriate denotations.

• **HEI to provide the links to the activity reports , attendance , photos for all the MoUs ;**
